

G³ WHEY PROTEIN

OUR CLASSIC- HIGH PROTEIN CONTENT, LOW FAT AND LOW CARB

It's almost impossible to meet your high protein intake simply from your normal diet while working out to gain weight and muscle mass. Our WHEY Protein supplies you with important proteins, amino acids and vitamin B2.

Our G³ WHEY is a high-quality product that ensures rapid bioavailability, giving your body essential nutrients when it needs them most. The BCAA amino acids are absorbed into the bloodstream within 30 minutes of consumption, helping improve your metabolism and prevent muscle loss during periods of inactivity.

Your body does a great job for you – and it deserves something just as great in return. By taking our G³ WHEY Protein, you neutralise free radicals due to the antioxidant effect of vitamin B2. In doing so, you enhance your performance and strengthen your immune system.

- CONTAINS ALL ESSENTIAL AMINO ACIDS
- RAPID BIOAVAILABILITY THANKS TO 30 PERCENT PROTEIN ISOLATE
- PRACTICALLY ZERO FAT, ZERO LACTOSE
- AVAILABLE IN EITHER CHOCOLATE OR VANILLA FLAVOUR

23.1g
PROTEIN
PER SERVING

5.2g
BCAA
PER SERVING

B2
VITAMIN

500 g / 1000 g / 2000 g

RECOMMENDED USE

Dissolve 2 heaped scoops (30 g) in 300ml of water. Consume as protein shake directly after training. Do not exceed the recommended daily dosage.

INGREDIENTS

whey protein concentrate, whey protein isolate, salt, tartaric acid, sodium ayclamate, stevia extract, sodium saccharin, sucralose

ALLERGENS

Contains whey protein (from milk). May contain traces of soy, egg, gluten and wheat.

NOTE

The recommended daily dose must not be exceeded. Food supplements should not be used as a substitute for a balanced and varied diet and a healthy lifestyle. If you are pregnant or nursing please contact your healthcare practitioner before taking any dietary supplements. Keep out of reach of children. Store product away from direct sunlight. Protect from heat and keep dry. Close container properly after use.
